- Mycotoxins :** Comply with the regulation 1881/2006 and its modifications
- Heavy metals :** Comply with the regulation 1881/2006 and its modifications
- Pesticide :** Comply with the regulations EC 1107/2009, 396/2005 and their modifications
- Ionizing radiation :** According to our suppliers declarations, the ingredients of this product have not been treated with ionizing radiation.
- GMO :** According to the regulations EC 1829/2003 and 1830/2003, no specific labeling is required.

### Packaging / Palletization :

---

- Packaging :** Paper bag + Polyethylene
- Net weight at packaging :** 25 Kg
- Palletization :** 36 bags per pallet

### Storage conditions and shelf life :

---

- Shelf life (Best before date) :** 12 months
- Store sealed in a cool dry place. Close the bag tightly after each usage.  
Product subject to drying. Drying can cause a slight variation in weight.

### Diet :

---

- Suitable for vegetarians  
Suitable for vegans

### Security data

---

The product is a food ingredient and is not a hazardous substance as defined in Regulation (EC) No 1272/2008, Article 3 and Annex I, parts 2 to 5.  
In view of the fact that this product does not represent a physical hazard, a health hazard or an environmental hazard and in view of the fact that this product does not come under a supplementary hazard class for the EU, (EC) No 1272/2008 does not apply to this product. This means that a safety data sheet is not required or mandatory.

### Regulation :

---

This product is compliant with the regulations of the countries of the European Union / European Free Trade Association. For distribution in another country, an application must be made to Grands Moulins de Paris SA; Grands Moulins de Paris SA cannot be held liable if the product has been marketed in a country for which Grands Moulins de Paris SA has not certified its regulatory compliance.
